Finished Quilt Size:	**58" x 72"**
Orange fabrics*	10 fat quarters
Background fabric	3 yards
Green fabric	1/4 yard
Brown fabric	1/8 yard
Backing	4 yards
Binding	1/2 yard

***** For best results, choose non-directional fabrics.
Note: the pattern calls for 10 fat orange fat quarters, but if you want a scrappier look, you may want to purchase and/or pull more fabrics. The more of a variety of prints and shades you select, the more depth and interest your finished quilt will have.

Revised 10.21.25

I would encourage you to purchase your pattern ahead of time and cut your fabrics prior to class so that you will have plenty of time for sewing during class; if so, simply follow the cutting instructions in the pattern. Be sure to label the various sizes of your pieces! Or, if you want some guidance with cutting, feel free to wait until class to cut your fabrics. Just be fair warned – the cutting is fairly time consuming. ☺

Be sure to search under #PumpkinsQuilt on Instagram if you want some inspiration.

I know you're going to enjoy creating this *Pumpkins* quilt as much as I did - looking forward to stitching with you!
