Supply List for **BSR Blitz**.

General Supplies

- BSR with all soles (extra feet)
- **(OPTIONAL)** Bobbin work. Normally an extra bobbin case for bobbin work is needed as the tension needs to be adjusted for the heavier Razzle Dazzle thread. I don't recommend you change your tension on the bobbin case that came with the machine. If you are using the classroom machines, they are model 590 and they use the black bobbin case. If this matches the machine you have at home, AND you have an EXTRA bobbin case, please bring it. Everyone trying bobbin work should bring a spool of Razzle Dazzle thread. If you are bringing your own machine and you have an extra bobbin case, please bring it. The 800 series machines have no bobbin case and can be adjusted to do bobbin work. Questions? Call me at above number.
- 3 empty bobbins if bringing your own machine
- All spool caps if bringing your own machine
- Foam pad for vertical spool pin if bringing your own machine
- 7" hand embroidery hoop, wood preferred. If you have a 700 series, an 8-9" hoop works and if you have an 800 series, you can go as large as a 10-12" hoop)
- Quilting gloves (optional) Machingers recommended.
- 2 rubber door stops (optional to tilt the machine toward you for more visibility)
- 3 – 12" x 12" quilt sandwiches (doodle cloths) two layers of muslin, one of batting OR two layers of craft felt. Do not use the little craft rectangles but rather buy it from the bolt for a better quality
- A larger print fabric for thread painting. Distinctive shapes are helpful. Pull it from your stash. Make a sandwich of this fabric with batting and backing. Size: about 12" x 12" or larger if your embroidery hoop is larger than 7".
- A smaller print fabric or plain fabric **IF** you are doing the **OPTIONAL** bobbin work with Razzle Dazzle thread. Again, pull from your stash. Layer it just with a batting, no backing.
- 1 pk machine needles – 90 sharp point, i.e. quilting, topstitching, microtex etc.
- Scissors
- Seam ripper
- Fabric marker
- Ruler – long enough to mark 8-1/2" of fabric.
- One spool of 50 wt. thread, color of your choice
- 1 spool Razzle Dazzle thread (See second point above as it is optional)
- A light weight metallic thread for highlighting or thread painting on the above mentioned medium print fabric.
- Sew Slip for the base of your machine (optional BUT very helpful!)

These supplies should all be available at The Old Country Store or Hinkletown Sewing
