Fabric Requirements:

If you wish to make a quilt similar to the sample, simply follow the yardage amounts listed on the pattern.

Otherwise, you'll need an assortment of prints and/or solids. If you want it to be super scrappy, you'll need lots of different fabrics as listed below:

	Yardage Amount	How many
Prints:		
	Fat quarter or ¼ yard	26
Solids:		
	1-1/3 yards	1
	1/3 yard	1
	1/3 yard	2
	1/4 yard	5

There's no need to have all your fabrics purchased in time for class. Simply bring an assortment to get started! You'll need one 7-1/2" square and four 4" squares for each set of 4 flying geese units. You may wish to bring some extra fabric to practice with before cutting into your project fabrics.

*****Important*****

Feel free to cut your squares ahead of time, but keep in mind we will be cutting the smaller squares **4"** instead of 3-7/8" and the larger squares **7-1/2"** instead of 7-1/4" as instructed in the pattern since we will be using the Wing Clipper ruler to trim down the flying geese units.

Any questions?? If so, feel free to contact me!
