*Note: 1/4 yard cuts MAY NOT work in place of fat quarters unless they were cut generously; you need enough yardage to cut a 9-1/2" square.

Also, please refer to the attached cutting diagram; students found it to be easier than the cutting diagram in the pattern.

*****Important*****

Feel free to cut your fabric ahead of time following the pattern instructions, but keep in mind if you wish to use the Wing Clipper Ruler, you'll need to cut your squares a bit larger than the pattern directs:

- 1 – **9-1/2"** square (instead of 9-1/4")
- 4 – **5"** squares (instead of 4 7/8")

We'll be discussing fabric selection in depth, so you may want to wait until after the class lecture to purchase the rest of your fabrics. You'll need at least three different fabrics to complete a block in class.
