

## Wintertime Forest Supply List

- Pattern download "Yuletide Forest" available at <https://www.quiltingdaily.com/product/yuletide-forest-table-runner-pattern-download/> cost: \$7.99
- Foundation paper ( newsprint or Perfect Piecing both available at The Old Country Store)
- Fabric for runner as detailed in pattern instructions
- Add-a-Quarter ruler (optional but highly recommended)
- small cutting mat for next to your machine
- rotary cutter
- rulers for cutting
- index card
- scotch tape
- sewing machine and thread
- fabric scissors
- paper/craft scissors
- pen,pencil, paper for note taking

Print and read through your pattern. Make the required number of copies of the tree foundation pattern before coming to class. (16 of each size tree)

If you are experienced at cutting, try cutting out your pieces for the center blacks before class. Do not precut any of your foundation piecing fabrics as that will be covered in class.

The more you have cut out in advance, the more you'll get finished in class.
