

## Singer Featherweight Club

September 2026

### Supply List, Fabric Requirements, and Cutting Directions

#### Supply List

1. Singer 221 “Featherweight” sewing machine in good working order
2. Thread in a neutral color
3. Rotary Cutter
4. \*Ruler (6” x 12” or 6 ½” x 12 ½”) I prefer this size because it allows you to place your whole hand on the ruler for stability. You may use whatever size with which you are comfortable.
5. \*Studio 180 Tucker Trimmer I and a \*12 ½” inch ruler for squaring up blocks

OR

\*Studio 180 Tucker Trimmer III

6. \*Studio 180 Magic Wand or other tool for marking one-quarter inch seams such as the \*Creative Grids Seam Guide Tool or \*Fons and Porter’s Quarter Inch Seam Marker
7. Tool for sewing a quarter-inch seam. If you have the vintage seam guide that came with your machine, you may use that. Other options are the seam guide and square (available at The Old Country Store) or a quarter-inch foot (available at singer-featherweight.com.) Tape is not recommended for use on Featherweights because it will damage the protective clear coat.
8. If you are using a cross-wound thread such as Aurifil, a \*thread stand or \*thread post is recommended to prevent the thread from twisting.
9. Basic sewing supplies: pins, small scissors, seam ripper, etc.
10. Marking pen or pencil
11. \*Studio 180 Designs Wing Clipper Ruler

\*Available at The Old Country Store

## 1941 Nine-Patch Fabric Requirements

You may use fabric from your previous blocks, scraps, fat quarters, or quarter-yard pieces. If using fat quarters or quarter yard pieces (which is the minimum cut available at The Old Country Store), you will have fabric left over for future blocks. You will need 4 fabrics.

Fabric 1 (White floral):  
One 5 ½” square for the star points  
Four 4 ½” squares for the corners

Fabric 2 (Center)

Fabric 4 (Red)  
Four 3” squares for the star points

## Army Star Fabric Requirements

You may use fabric from your previous blocks, scraps, fat quarters, or quarter-yard pieces. If using fat quarters or quarter yard pieces (which is the minimum cut available at The Old Country Store), you will have fabric left over for future blocks. You will need 5 fabrics.

## **Bonus Block: Ladies' Aid Album Fabric Requirements**

The Ladies' Aid Album block uses the same units as the 1941 Nine-Patch, so the cutting directions are the same. The difference is the flying geese and rectangle unit is turned in the opposite direction. You just need to determine your color placement and follow the directions for the 1941 Nine-Patch when cutting your fabric.
