FABRIC SELECTION

I recommend you start with a Border (focus) fabric. From there, select two to three colors from the border, and then select a dark, medium/dark and/or mediums for the blooms, Lynn used Purple, Magenta, and Orange. She coordinated her Background, light green, with a medium green for the chain that forms the vine between blooms. She selected a medium light for the vine blooms so they would appear smaller and softer.

Fabric Requirements:

Based on 40" of useable fabric with a few cutting errors. Please plan accordingly.
