### To be purchased online.

- Everyone will need a golfing design
  - The design should be no more than 4 inches – we will add a name at the bottom or side of your towel
    - I selected a towel of lesser density to ensure its usability for the recipient. I suggest you also consider opting for a lower density.
    - Embroidery Library and Embroidery Designs has a lot of designs to choose from.
    - In the search bar type in “golfing”

Also, please bring to class the color change sheet that goes with your design. Feel free to choose the colors you'd like to use for your towel and bring them with you to class. Thank you!
