Embroidered Custom Apron

Supply list:

To be purchased online or located in your Embroidery machine.
- ▪ **Custom Class Details**
    - o Please bring a logo of your choice (whether it's text, an image, or a combination of both) on a flash drive to use in this project. If you have the Bernina Software package, this is a great opportunity to combine designs, but having the software is not required to complete the project. However, you will need to have your design ready on a flash drive for the day of class. If you're unsure how to load your machine with a purchased design or how to transfer a design to your flash drive, feel free to reach out to Beth at eaplaner@comcast.net for assistance.
    - o Some suggested websites to find designs
        - ▪ [Machine Embroidery Designs (oesd.com)](oesd.com)
        - ▪ [Machine Embroidery Designs | Embroidery Library (emblibrary.com)](emblibrary.com)

Also, please bring your color change sheet from your selected design site to use for guidance with your color choice and assembly.

Apron
- You do not need to bring any fabric, just a premade apron. Advanced students may consider bringing an extra apron to work on once they've finished their first.
    - o Please prewash and iron your apron before bringing to class.
- If you have an embroidery software program, please print your designs. If you don't, that's okay we will go over how to center your design without the printed design.

Stabilizer
- Medium tear away stabilizer – I used OESD – I recommend bringing your roll.
- Light tear away stabilizer – I used OESD – I recommend bringing your roll.
- Fusible Woven stabilizer – I used OESD – I recommend bringing your roll.
- Gentle Touch Backing – I used OESD – I recommend bringing your roll.

Thread
- Bring a variety of threads including all the colors needed for the front of your sweatshirt and sleeve.

Bobbin Thread: - Seraline – please have bobbin thread prewound

Needles: - Embroidery 80/12 or Microtex 90/14. *I recommend the Microtex 90/14.*

Embroidery Machine: – bring all items to make your machine work 😊

Feet: - #26 (embroidery foot)

Hoop: - Medium hoop, large hoop or midi hoop (Depending on the size of your apron and design. I used a large hoop for my design)

Stitch plate: Single hole 0mm (if you have it) or regular 9mm

Other:

Temporary Marker or pencil (I prefer a sewline air marker)

Thread snips	Tweezers
small and large ruler	paper scissors
Flash drive to load projects	rotary cutter
Straight pins	Small thread scissors

Embroidered Custom Apron
