

## **Selvage Whirlwind Block Student Supply List**

**Pattern:** You will need to purchase of pdf copy of the *Selvage Whirlwind Block* by Amy Friend of During Quiet Time: <https://duringquiettime.com/product/selvage-whirlwind>  
Then, print out the template onto paper intended for foundation paper piecing (Carol Doak's Foundation Paper, 8-1/2" x 11" newsprint, vellum, or plain old copy paper) at "actual size", "100%", or "scaling to none". (I found newsprint worked well.) One sheet will be enough for one block, but you will want to print some additional pages.

### **Fabric Requirements (as listed on pattern):**

- A variety of selvages with at least 1" to 1-1/2" of fabric beyond the selvage edge, ranging from 5" to 7" in length. Or, you can simply use strips of regular quilting cotton.
- Background: (2) 4-1/2" squares per block

### **Basic Sewing Kit:**

- Fabric shears
- Patchwork pins (flat flowerhead pins are typically recommended for foundation paper piecing)
- Thread snips
- Seam ripper
- White or neutral thread to match your selvages

### **Rotary Cutting Supplies:**

- Rotary cutter with fresh blade
- Acrylic rotary cutting ruler at least 12" long
- Cutting mat for your workstation

### **Additional Supplies:**

- Your favorite starch or starch alternative

### **Optional Supplies:**

- Tailor's awl or stiletto
- Add-a-Quarter ruler
- Wooly pressing bar (the 12" size is perfect)
- Wooden finger presser
- Seam roller

**Cont.**

**Ironing Supplies:**

The classroom is well equipped with irons and ironing boards, but you may wish to bring a small iron and pressing mat for your workstation.

Any questions?? If so, don't hesitate to contact me!
