Regular sewing foot attachment

1/4" foot helpful but not required

Zipper foot - required

Size 90/14 sewing machine needle (please bring a back up)

Extra bobbins

Power cord and foot pedal

CLASS PREWORK:

I recommend making the large size for this class, but there are three sizes to choose from.

Please have your supplies gathered and your paper pattern pieces cut out. Please precut your fabric pieces in order to be able to focus on the construction of the project during class.

HOWEVER, I realize there are A LOT of pieces to cut and the instructions are a tad confusing, so if you are not sure how to cut certain pieces, we can do those in class. OR please email me with questions.

If you have any questions regarding materials, fabric prep, supplies etc, please email me at glueandstitch@gmail.com
